Why did you become an English Major?

What are your post-college career plans?

Do you have a job when you graduate? If so, where?

Will this job use the skills you learned in your major? If yes, how?

Will you begin graduate or professional school next year? If so, where and in what field?

Do you plan to attend graduate or professional school in the future? In what field?

How would you assess the quality of your education in the English department at Loyola? Please be specific about the following:

Curriculum:

Instruction:

Advising:

What specific suggestions would you make to improve the Lit or Writing major?

What do you perceive to be the strengths of the Lit or Writing major?

Did you do an English Honors Thesis? Yes \_\_\_\_\_ No \_\_\_\_\_

If yes, please assess the process and make suggestions for its improvement.
